Rates quoted as GBP per minute except where fixed per call charges apply.

Peak time is 8am - 6pm, Weekend is Midnight Friday to Midnight Sunday, Off Peak is all other times

Call cost Rounded to decimal places

These rates will be applied from the above date. If it is not practically possible to implement them on our systems in time for this date you will receive a retrospective credit.

080x calls from payphones attract a BT levy of 79 pence per minute. 080x calls from mobiles attract a BT levy of 1.64ppm. These costs are passed on direct to the client

We will apply these rates at the next available opportunity. If this is after the date at which the rates should become effective we will provide an adjustment credit/invoice accordingly
