

ErisTerminal™ SIP Entry Level Deskset

Support for up to 2 SIP lines/accounts with 2 keys that provide programmable functions

VSP715A

The compact VSP715A SIP deskset comes with all the essential features you need to keep pace with your business and your budget. Installation is easy and cost-effective with Power over Ethernet (PoE) support, dual Ethernet ports and auto-provisioning. Two programmable buttons provide one-touch access to shared call appearances, ACD, paging and more. Manage multiple calls with advanced call handling features and support for up to two SIP lines/accounts. Support for the G.722 wideband codec for HD Audio means you'll enjoy superior voice quality too.
